

**ALCOTT CHESS CLUB**

Ho! Ho! Ho! Merry New Year! Merry New Year! It's now 2024; let's make this a merry year to remember! The Alcott Chess Club resumes January 18. Why not give your children the very merry present of chess? Chess is a wonderful educational gift to start your children's day off right with the dazzling challenge of expanding their thought processes and creative energy, and opening their minds for the school day ahead.

The Alcott Chess Club meets weekly Thursdays (excluding vacation February 22) through April 11. Also, no school April 4, so class will be Wednesday, April 3 instead. Make your choice! 12 weeks for \$220 or 10 weeks for \$200. The joy begins 8 a.m. in the Faculty Lounge. We look forward to seeing your children! We will be there ready to provide instruction for everyone and to teach total beginners how to play the game. Note: Arrive by 8 a.m., come in the **right-side doors**; if later, you may need to use the main central doors.

Take advantage of our progressive family discount program! The savings is \$10 off to enroll your 2nd child, \$20 off for the 3rd child and so on. And we offer need-based scholarships to help defray the total cost. Our club philosophy is that no child is excluded. Chess is for all: all classes, all grades, all levels of ability.

Once you've decided, please Venmo or PayPal to [alcottchess@hotmail.com](mailto:alcottchess@hotmail.com), or write a check payable to the Alcott Chess Club. We continue with the Alcott Chess Challenge. Identify each of these chess people, their current country and their distinction in the world of chess. Plenty of chances. \$5 for each correct answer. Win as much as \$50.
